

HT email to parents/ carers 25 May 24

Hello Everyone,

Green Team

Keeping our school tidy and looking after the environment are things we value here at Teesdale School. We have a small, but dedicated band of students who are helping us with this. They are our 'Green Team'. At the moment, they are encouraging students to put all of their litter in the bins and are being excellent role models by picking up litter themselves. HUGE thanks to them.

Uniform

Thanks so much for your ongoing support with uniform. On warmer days, students still need to have a blazer but will be allowed to remove it in the classroom. Just a quick reminder that a coat can't be a replacement for a blazer. Coats aren't ever to be worn in classrooms.

If you are already planning to order/ buy uniform for next year, our friends at The Hub have some good-quality, pre-loved uniform items. When it comes to school shoes, school shoes for next year trainers of any description will not be allowed.

Teesdale School in the Community

We are hoping to share the skills and talents of the wonderful students we teach with the wider Teesdale community. To begin with, A group of year 10 students will be going out and about after half-term to help by doing some litter picks in the town. If anyone has any projects or anything they would like help with then please let school know.

Exam season

The exam season rolls on. Our students have settled into the routine of revision and exams very well. There is still some way to go before it's all over and they are all in need of a bit of a break. We'll be reminding them to keep doing a little revision every day over half term, so they keep their skills and knowledge activated, ready for the last push after half term.

I'd like to wish you all a very happy half-term holiday, whatever you're doing.

Miss A Cleckner,

Headteacher
