National Careers Week

National Careers Week (NCW) – March 3rd to 8th, 2025

National Careers Week is just around the corner! Taking place from March 3rd to 8th, 2025, NCW celebrates career guidance and serves as a fantastic opportunity to help young people transition from education into the workforce.

To support learners in planning their career paths, we've gathered a selection of useful booklets:

- [The Aspire Guide](#): Packed with valuable resources and insights to guide you on your career journey.
- [Careers Key Terms](#): A handy booklet explaining essential terms used across various industries to help you navigate the job market.
- [Skills & Careers Activities Booklet](#): This free Skills and Careers Activities booklet is perfect for young people to work through at home.

You can also find a range of information and links in the key information section of this newsletter!

For parents and carers looking for more details about NCW2025, please find attached to the email a parents/carers guide to National Careers Week.

Key Information

Northumbrian Water Apprenticeships – Please find attached to the email more information about apprenticeships with Northumbrian Water which are now open.

TV programme on degree apprenticeships. The 30-minute programme is an invaluable resource to help introduce degree apprenticeships to Sixth Form students and their parents. It covers what a Degree Apprenticeship is, which ones are available and compares a Degree Apprenticeship to a traditional university experience. [Click here](#) for more information.

BAE Systems Apprenticeships. BAE develops advanced defence technology and protects people and national security and keeps critical information and infrastructure secure. They are offering a number of apprenticeships in areas including; Digital Technology, Finance, Engineering, that last for up to 5 years and all have a competitive salary. [Click here](#) for more information.

Morgan Stanley Apprenticeships. These programs are delivered in partnership with Multiverse and are designed for you to start and grow your career, whether in research, operations, human capital management or another division. For more information [click here](#) to see the apprenticeship available.

Applications for EY's 2025 Apprenticeship Programmes are now live! These opportunities are perfect for anyone looking to launch a career in business, finance, or technology straight out of school or college. You will dive straight into real client work, earning while you learn, and develop your skills with the support of a dedicated career coach. For more details and applications [click here](#).

Website of the month. Amazing Apprenticeships is a leading organisation in the education sector, founded to tackle misconceptions about apprenticeships and promote the benefits. It has lots of resources and information regarding apprenticeships [click here](#) to see more.

Kids in Museums wants to recruit four new people aged 16-25 to join its Youth Panel to address the reasons why young people don't visit museums. There is an information session for people interested in applying on Tuesday 11 February, 6pm – 7pm, on Zoom. If you can't make the information session, you can arrange a chat with a member of staff by [email](#) Deadline for applications is 5pm, 28 February 2025. [Click here](#) for more information.

The Telegraph's Media Literacy Programme. The programme is open to 16–18-year-olds across the UK and provides an insight into what it is like to be a journalist at an award-winning, multimedia news brand. Current Telegraph journalists teach the programme covering disciplines ranging from politics to fashion and beauty. The online programme runs for four weeks, beginning on Tuesday 4 March 2025. Sessions will run from 4 - 5pm every Tuesday. [Click here](#) for more information.
